Children's Ministry Check In / Check Out Procedure

CHECK IN

When parents choose to drop off their children at Children's Ministry rather than have them accompany them to Church Service, they are asking the Children Ministry Volunteers to take responsibility for their children in their absence.

- We are requiring that parent or guardian stop by our Check In station in the Church lobby area and sign in their child(ren).
- The Check In station will be available at least 15 minutes before and after the start of class.
- The child will get a name tag and the parent will receive a ticket to check out the child at the conclusion of service.
- Children who have not been Checked In will be asked to return to their parents
- **Parent or Guardian must remain on the premises during Church Service in case a situation arrives with your child.**

CHECK OUT

We cannot allow children to leave the meeting/class room without a parent or designated adult. Therefore, parents will need to "Check Out" their children from the teacher.

- Only authorized adults (18 or older) are allowed to pick up a child from his or her class
- The person picking up the child must have matching claim ticket in order for the child to be released into their custody.
- The Check Out station will **only be available 15 minutes after the conclusion of Service**. Please pick your children up in a timely manner.

AUTHORIZED PICK UP

We understand that at times, you are unable to Check In or Check Out Your Children. Please help us help you by providing the names of other adults you give permission to Check your children In or Out. This list will serve as a guide for our volunteers to know who your children should be released to. Thank you
